

PROFESSIONAL TEAMS + EQUIPMENT + KNOWLEDGE + COMPLIANCE = SAFETY

LAND

We have extensive global experience of providing a full range of composite protective security services. These cover both high and medium risk areas and include: Convoy Escort Teams (CET); Personal Security Details (PSD); Mobile and Static Guards and ancillary operations. We offer comprehensive protection to personnel, material and infrastructure.

We enable clients to conduct their business wherever the opportunities arise, even in harsh and inhospitable parts of the world. By assessing and truly understanding the specific threats, we are able to reduce risk exposure. This allows clients to operate in a safer and more secure environment whilst fulfilling their corporate duty of care to staff.

SERVICES

- Threat and risk assessments, audits and analysis
- Personnel and asset protection
- Security management and consultancy
- Emergency procedures and response
- Travel management
- Training to support all associated services
- Life support services – food, accommodation, medical, transport, logistics, communications and other requirements for you to operate overseas

Fox Delta works to enhance clients' business opportunities through creating a safer operating environment. **We are here to help you.**
